APPRENTICESHIP DONATION

Apprenticeship Donation – Sponsor a student apprentice by financing a designer who will mentor them throughout the creative and technical process of designing a theatrical production. These mentors will give additional time to support, teach and guide their apprentice through the entire design process. Starting from the first creative idea and text analysis through research and the practical application of their design.

APPRENTICESHIP TIERS*

- \$250 – Protégé

- \$500 – Tradesman

- \$750 – Journeyman

- \$1000 – Master Class

*Apprenticeship tier distribution will be based on the venue and individual production needs.
